Part III REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The prior art of record does not teach, disclose, or suggest the claimed limitations of (in combination with all other limitations in the claim), an image forming apparatus comprising a plurality of trays for receiving discharged sheets bearing a formed image; a setting means for setting the form of output with respect to at least one of said plurality of trays; an image forming unit for forming an image on the sheets in the form of output set by the setting means when the tray which the form of output has been set is selected as the destination of discharged paper; and an editing means for editing an image data in accordance with the form of output of an image and a memory for storing an image data edited by said editing means when the supply of sheets to be discharged runs out as claimed in claim 7. Similar features are claimed in claims 10, 11, 12, 16, 21, 22, and 23. Therefore, claims 10, 11, 12, 16, 21, 22, and 23 are allowable over the prior art of record for the same reasons.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
